NOTE: For individuals in excess of 50, the license fee shall be \$397.50, plus \$2.50 per individual.

The number of individuals carrying on a business includes proprietors, officers, partners, and associates actively engage in such business and the individuals employed regularly or on a part-time basis. Individuals employed by an owner or proprietor of a business who work entirely outside the corporate limits of the City shall not be counted.

To calculate the number of individuals: take the total the number of full time employees and average the number of part time employees to equal the time of a full time employee.

* * Example: If your business is a sole proprietor with only 1 owner working and employing 2 part time individuals, the total number of individuals employed would be 2 and the fee would be \$47.50.

* * Example: If your business has 2 owners, 3 full time employees and 3 part time employees, the total number of individuals employed would be 7 and the fee would be \$110.00.
