

ORDINANCE NO. 5489

AN ORDINANCE PROVIDING FOR THE NUMBERING OF BUILDINGS IN THE CITY OF ASTORIA, OREGON, AND PRESCRIBING CERTAIN DUTIES OF THE BUILDING INSPECTOR OF THE CITY OF ASTORIA IN CONNECTION THEREWITH.

The City of Astoria does ordain as follows:

Section 1. There shall be a uniform system of numbering of buildings within the city limits of the city of Astoria by placing over the main entrance, or as near as practicable, the number assigned thereto, as hereinafter provided, the figure designating the number, whether printed or otherwise, not to be less than one and three-quarter (1 3/4) inches in height.

Section 2. Odd numbers shall be given to houses on the west and south sides of the streets, avenues, and highways, and even numbers to those on the north and east side of the same.

Section 3. On streets, avenues, and highways running northerly and southerly, the said city numbering shall commence with number two (2) at Astor Street in what is known as McClure's, Shivelys's, and Adair's Astoria, and with number two (2) at each street in Alderbrook and Van Dusen's Astoria and shall increase southerly at the rate of fifty (50) numbers for each block or space between two streets. On streets, avenues, and highways running easterly and westerly, the said city numbering shall commence with number two (20) on First Street and increase, going east from there, fifty numbers for each block or space between two streets, and the same with all streets at right angles with said First Street to the eastern limits of the city.

Section 4. The building inspector of the city of Astoria shall designate the numbers of all houses, in conformity with preceding provisions, allowing a number to make the uniformity in the numbering. He shall furnish the number of each house now or hereafter built with its proper number if it is not completed. When any house is not correctly numbered or not numbered at all, the building inspector shall give such house its proper number and require the same to be put on each house in a conspicuous place next to the street.
